Dear School Community,

Wendy Leach
Director of Special Services
wldow@su76.org

I wanted to reach out to publicly express my appreciation and that of the CSD School Board to Amelia Damon and her family for a generous donation of \$10,000. This gift will go towards purchasing security cameras for the stairwells at DISES. Please join me in recognizing and thanking Ms. Damon and the Damon family for this wonderful gesture in support of students and the school community.

The CSD School Board accepted this donation at their Board meeting yesterday evening, and wiring for the cameras is already well underway, the work being performed by Mr. David Pelletier, who is our Director of Maintenance and a master electrician.

As part of our community forums last spring, many parents expressed a desire to have additional cameras installed, and as a result of this gift, we estimate being able to have up to four cameras in each stairway, with audio. This work is anticipated to be completed by the time students return to school.

Kind regards to all,

Dan Ross
